Reasons For Allowance

The following is an Examiner's Statement of Reasons for Allowance:

On Remarks, filed on December 8, 2006, Applicants state that the plant was not available anywhere in the world until 2001 less than one year prior to the February 26, 2001 filing date of the parent of the instant application.

For the 1999 release date the plant was provided to professional licensees. The company had control of the plant and at this date any plant was release to the public.

Therefore, no publication concerning the instant plant that appeared more than one year prior to the application's effective filing date of February 26, 2001 was enabled.

Accordingly the claim of this application is deemed allowable.
